

JOURNAL ARTICLE PUBLISHING AGREEMENT AND LICENSE TO PUBLISH

To ensure the widest dissemination and the protection against copyright infringement of articles published, Taylor & Francis requires you as Author to license in writing to Taylor & Francis Group LLC ("Taylor & Francis") rights to publish the Article you are contributing. The Article is defined as the final, definitive and citable Version of Scholarly Record, and includes: (a) the accepted manuscript in its final and revised form; and (b) any supplementary material. This Publishing Agreement (with Appendices attached hereto, which form part of this Publishing Agreement) constitutes the entire Agreement and the sole understanding between Taylor & Francis and the Author, and no other agreements or communications will be taken into account when interpreting the rights and obligations of Taylor & Francis and the Author under this Publishing Agreement unless contained in a written instrument dated subsequent to the date hereof and signed by both Taylor & Francis and the Author.

Please confirm acceptance of the terms of this agreement by signing, dating, and returning this form to Taylor & Francis.

APPENDIX 1. ASSIGNMENT OF PUBLISHING RIGHTS

1. In consideration of the publication of your Article and subject to the provisions of the preceding Publishing Agreement and author status data, you license Taylor & Francis rights to publish your Article. For the avoidance of doubt, you confirm you hereby recognize Taylor & Francis as the sole licensee for the publication of the final, definitive and citable Version of Scholarly Record; and that this includes license for all of the following:

1.1. to publish, reproduce, distribute, display, post and store the Article worldwide in all forms, versions, formats and media now known or as developed in the future, including print, electronic and digital forms;

1.2. to translate the Article into other languages, create adaptations, summaries or extracts of the Article or other derivative works based on the Article and all provisions elaborated in 1(i) above shall apply in these respects; and

1.3. to sub-license all such rights to others.

In the event the Article is not accepted and published by us or is withdrawn by you before acceptance by us, the license set out in this Agreement shall cease to be effective and all rights assigned by you to us in relation to the Article shall revert to you.

2. This Publishing Agreement constitutes the whole Agreement and the sole understanding between Taylor & Francis and the Author. No oral or other unsigned written variation shall give rise to rights or obligations between Taylor & Francis and the Author. For avoidance of doubt, any unsigned addendum or memorandum is invalid and will not be taken into account when interpreting the rights and obligations between Taylor & Francis and the Author under this Agreement.

PUBLISHER'S RESPONSIBILITIES

3. We shall prepare and publish your Article in the Journal. We reserve the right to make such editorial changes as may be necessary to make the Article suitable for publication, or as we reasonably consider necessary to avoid infringing third party rights or law; and we reserve the right not to proceed with publication for whatever reason.

AUTHOR RIGHTS

4. You hereby assert your right to be identified as the author of the Article.

5. You are permitted to use the material in the ways described in this journals' Schedule of Author's Rights, providing that you meet all the conditions set out in the Schedule. These are rights which are personal to you and cannot be transferred by you to anyone else.

AUTHOR WARRANTIES

6. You hereby warrant that you have secured the necessary written permission from the appropriate copyright owner or authorities for the reproduction in the Article and in the Journal of any proprietary text, illustration, table, or other material, including data, audio, video, film stills, and screenshots, and any Supplementary Material Online you propose to submit. Supplementary Material Online must be submitted to the Journal Editor at the same time as you submit your paper. It will be subject to Editor oversight and, at the discretion of the Editor, to the Journal's peer-review procedure. Taylor & Francis will publish Supplementary Material Online strictly subject to you providing evidence that all requisite copyright permissions have been obtained prior to publication.

7. You warrant that, apart from any such third party copyright material included in the Article, the Article is your original work, and does not infringe the intellectual property rights of any other person or entity and cannot be construed as plagiarizing any other published work, including your own published work. You warrant that the Article is not currently under submission to, nor is under consideration by, nor has been accepted by any other journal or publication, nor has been previously published by any other journal or publication, nor has been assigned or licensed by you to any third party. Without prejudice to the provisions of Clause 5 above, you undertake that the fully reference-linked Version of Scholarly Record will not be published elsewhere without our prior written consent.

8. You warrant that the Article contains no statement that is abusive, defamatory, libelous, obscene, fraudulent, nor in any way infringes the rights of others, nor is in any other way unlawful or in violation of applicable laws.

9. You warrant that wherever possible and appropriate, any patient, service user, or participant in any research or clinical experiment or study who is mentioned in the Article has given written consent to the inclusion of material pertaining to themselves, and that they acknowledge that they cannot be identified via the Article and that you will not identify them in any way.

10. You warrant that:

10.1. All mandatory laboratory health and safety procedures have been complied with in the course of conducting any experimental work reported in your article;

10.2. You have included in the text of the Article appropriate warnings concerning any specific and particular hazards that may be involved in carrying out experiments or procedures described in the Article or involved in instructions, materials, or formulae in the Article, and shall mention explicitly relevant safety precautions, and give, if an accepted code of practice is relevant, a reference to the relevant standard or code.

APPENDIX 1. ASSIGNMENT OF PUBLISHING RIGHTS (continued)

11. You warrant that you have reviewed our Publishing Ethics and Conflicts of Interest Disclosure policies and will include in the text of the Article an appropriate statement should you have a financial interest or benefit arising from the direct applications of your research.

12. If the Article was prepared jointly with other authors, you warrant that you have been authorized by all co-authors to sign this Agreement as agent on their behalf, and to agree on their behalf the priority of the assertion of copyright and the order of names in the publication of the Article.

13. You undertake that you will keep us and our affiliates indemnified in full against all loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred or paid by us as a result of your breach of the Warranties given in this Agreement.

GOVERNING LAW

14. This Agreement (and any dispute, proceeding, claim or controversy in relation to it) is subject to US law. It may only be amended via joint signature from both parties.

APPENDIX 2: THE SCHEDULE OF AUTHOR RIGHTS

The rights that you personally retain as Author:

1. the right to be identified as the Author of an article whenever and wherever the Article is published;
2. patent rights, trademark rights, or rights to any process, product or procedure described in an article;
3. the right to share (but not on a commercial or systematic basis) with colleagues print or electronic 'preprints' (i.e., versions of the article created prior to peer review) of an unpublished Article, perhaps in the form and content as submitted for publication;
4. the right to post such a 'preprint' on your own website, or on your institution's intranet, but only with the following acknowledgement or such other acknowledgement as we or Taylor & Francis may notify to you:

This is a preprint of an article submitted for consideration in the [JOURNAL TITLE] [year of publication] [copyright AUTHOR]; [JOURNAL TITLE] is available online at: <http://www.tandfonline.com/> with the open URL off your article;

5. the right to retain a preprint version of the Article as specified above following publication in a Taylor & Francis journal, on the following condition, and with the following acknowledgement or such other acknowledgement as Taylor & Francis may notify to you:

This is a preprint of an article whose final and definitive form has been published in the [JOURNAL TITLE] [year of publication] [copyright AUTHOR]; [JOURNAL TITLE] is available online at: <http://www.tandfonline.com/> with the open URL of your article;

6. the right to post your revised text version of the 'postprint' of the Article (i.e., the Article in the form accepted for publication in a Taylor & Francis journal following the process of peer review), as an electronic file on your own website for personal or professional use, or on your institution's network or intranet or website, or in a subject repository that does not offer content for commercial sale or for any systematic external distribution by a third party, provided that you do not use the PDF version of the Article prepared by us and you include any amendments or deletions or warnings relating to the Article issued or published by us or Taylor & Francis and only with the following acknowledgement or such other acknowledgement as Taylor & Francis may notify to you:

This is an electronic version of an article published in [include the complete citation information for the final version of the article as published in the print edition of the journal]. [JOURNAL TITLE] is available online at: <http://www.tandfonline.com/> with the open URL of your article.

The right in this paragraph 6 is subject to the exception of any embargo period Taylor & Francis has negotiated with any third party, now or at any time in the future. You must not post manuscripts directly to PubMedCentral (PMC) or other such third party sites. As part of our author services program, Taylor & Francis will deposit to PubMedCentral (PMC) author manuscripts on behalf of Taylor & Francis, Routledge and Psychology Press authors reporting NIH-funded research. This service is offered as part of Taylor & Francis' 2008 Deposit Agreement with the NIH, and will help authors to comply with the National Institutes of Health (NIH) revised 'Public Access Policy'.

This right notwithstanding, Taylor & Francis recommend you link to the Version of Record on Taylor & Francis' publishing online platform <http://www.tandfonline.com/> to maximize usage and citation.

7. the right to share with colleagues (but not on a commercial or systematic basis) copies of an article in its published form as supplied by Taylor & Francis as an electronic or printed offprint or reprint;
8. the right to make printed copies of all or part of an article for use by you for lecture or classroom purposes provided that such copies are not offered for sale or distributed in any systematic way, and provided that acknowledgement to prior publication in the relevant Taylor & Francis journal is made explicit;

APPENDIX 2: THE SCHEDULE OF AUTHOR RIGHTS (continued)

9. the right to facilitate the distribution of the Article if the Article has been produced within the scope of an Author's employment, so that the Author's employer may use all or part of the Article internally within the institution or company provided that acknowledgement to prior publication in the relevant Taylor & Francis journal is made explicit;

10. the right to include the Article in a thesis or dissertation that is not to be published commercially, provided that acknowledgement to prior publication in the relevant Taylor & Francis journal is made explicit;

11. the right to present the Article at a meeting or conference and to distribute printed copies of the Article to the delegates attending the meeting provided that this is not for commercial purposes and provided that acknowledgement to prior publication in the relevant Taylor & Francis journal is made explicit;

12. the right to use the Article in its published form in whole or in part without revision or modification in personal compilations [in print or electronic form] or other publications of an Author's own articles, provided that acknowledgement to prior publication in the relevant Taylor & Francis journal is made explicit;

13. the right to expand the Article into book-length form for publication, provided that acknowledgement to prior publication in the relevant Taylor & Francis journal is made explicit.
